**5,430**

# BOULDER IS FOR STARTUPS

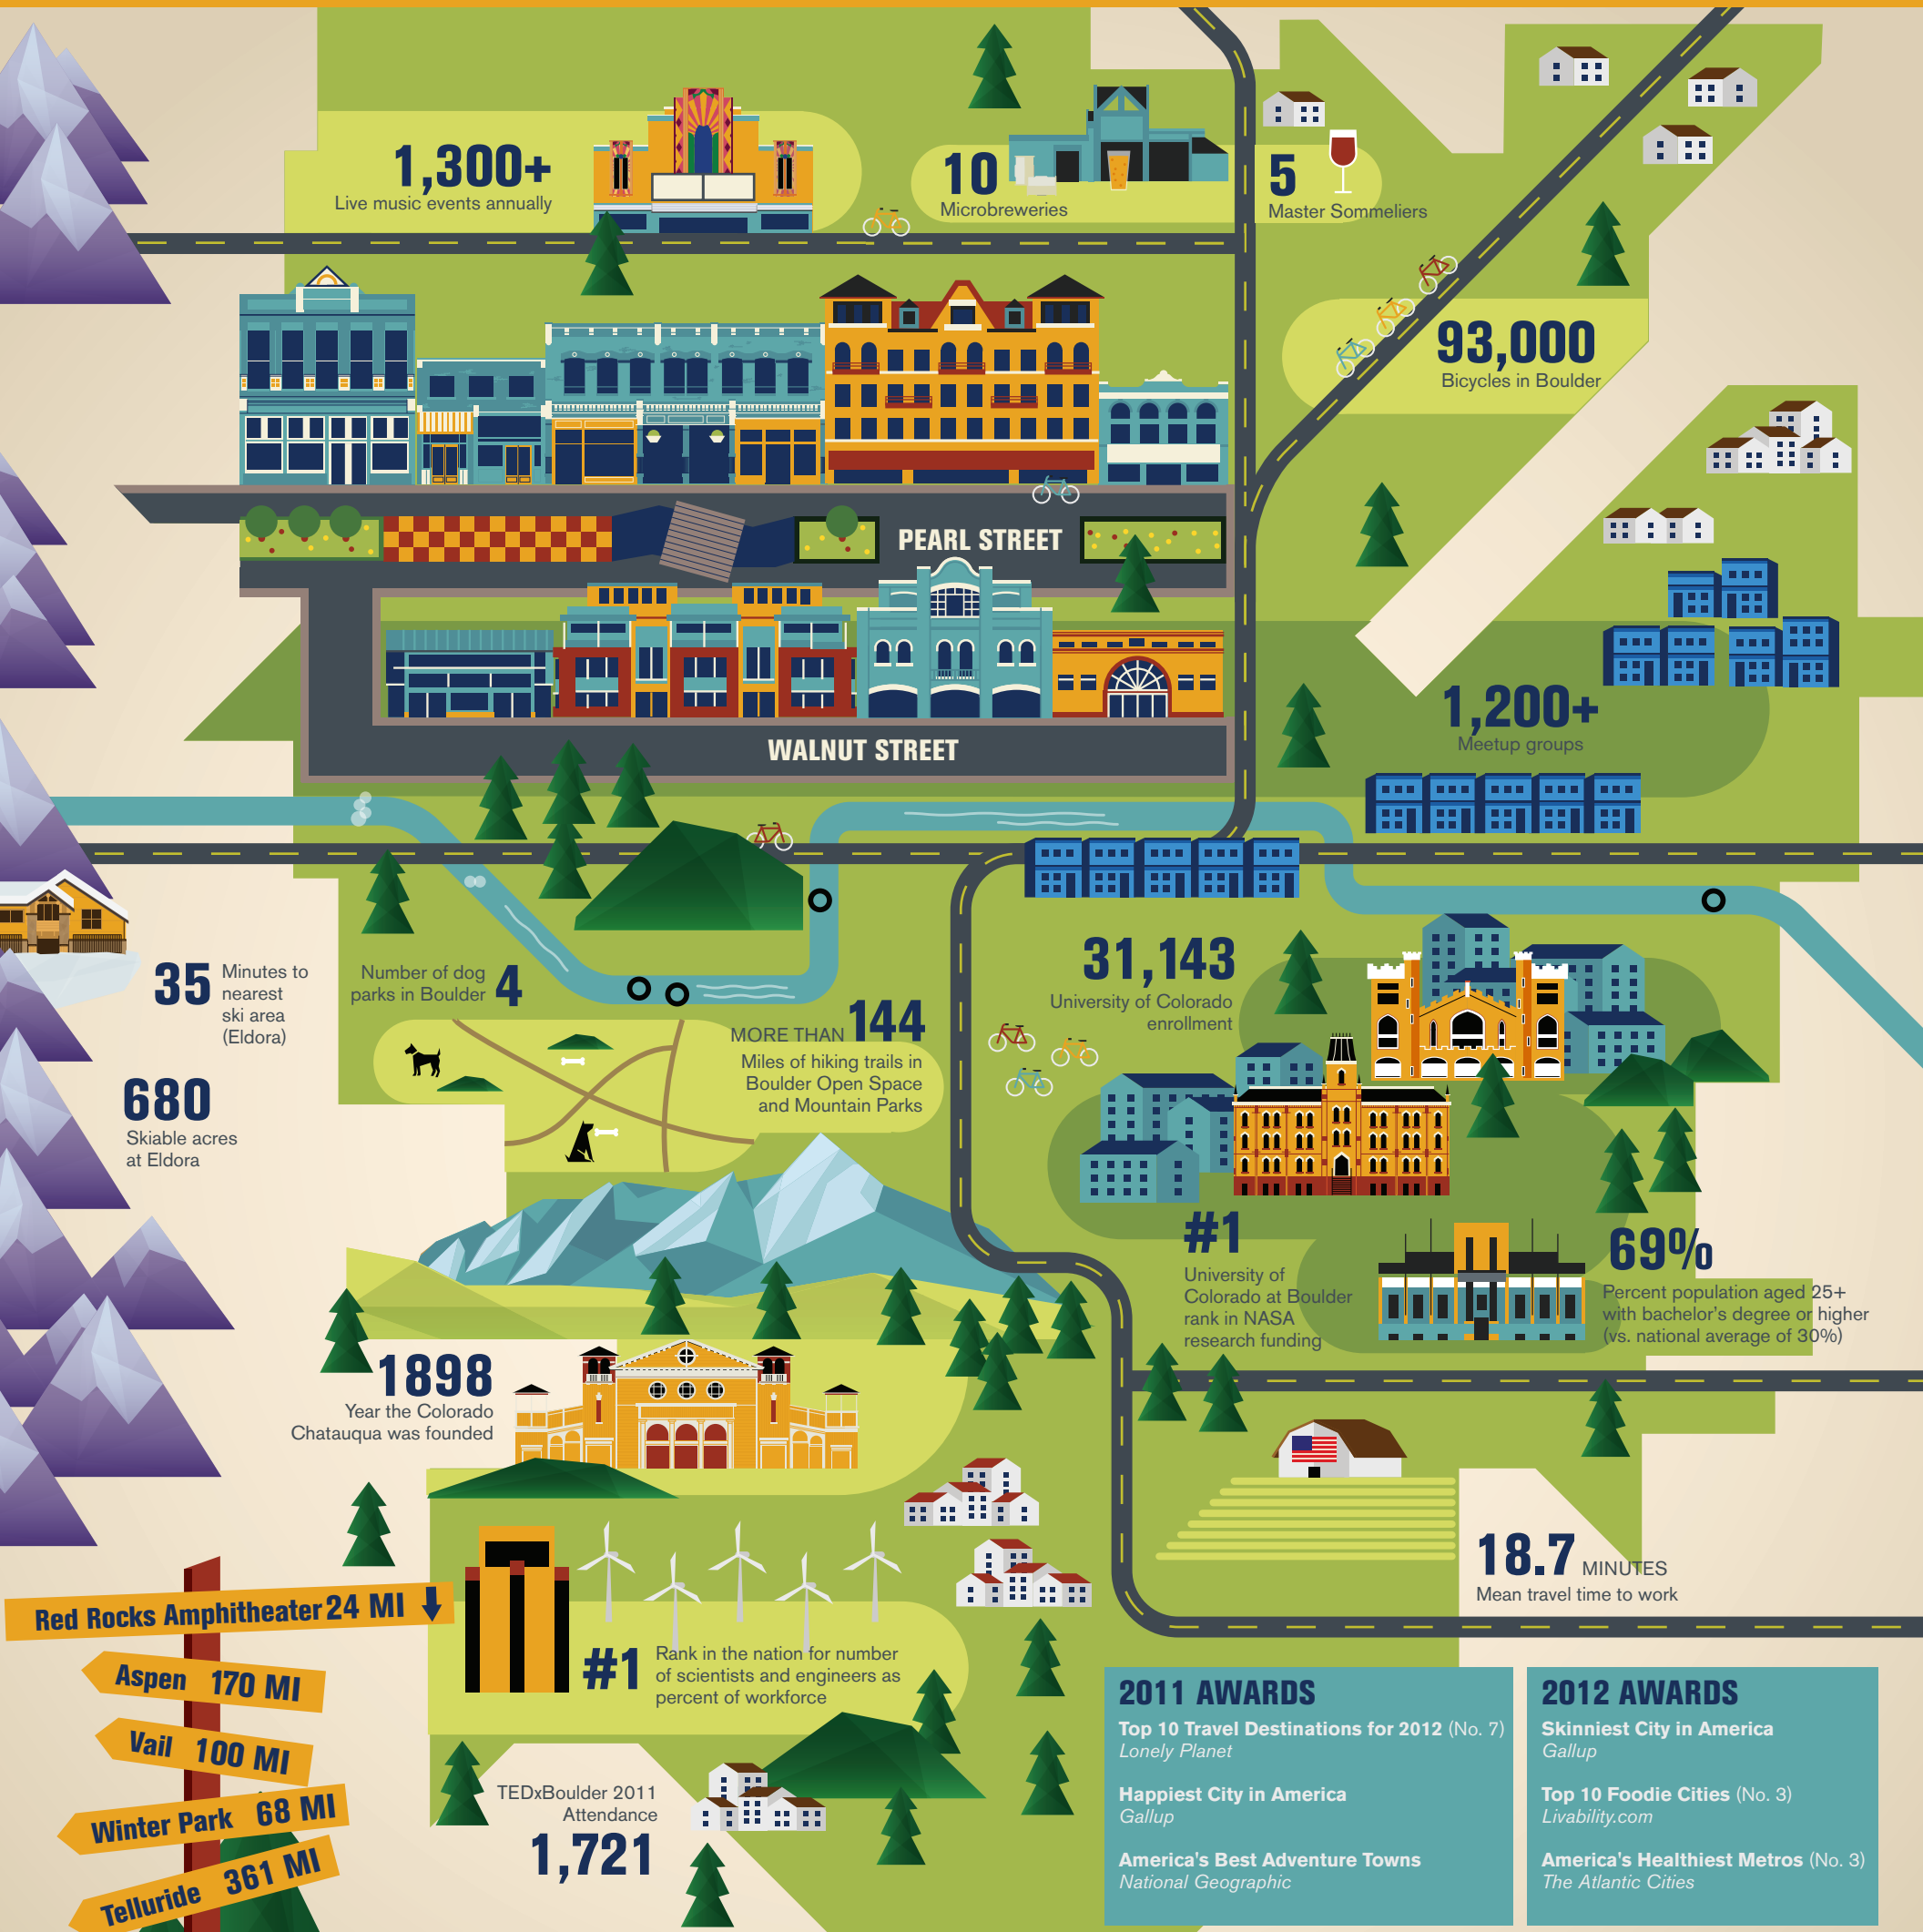

Population (2010)

**97,385**

Total number of  
businesses in Boulder

**16,766**

"America's Best Town for Startups" (Bloomberg Businessweek, 2011) is just one among countless superlatives used to describe the sunny city of Boulder, Colorado. It's also the skinniest, the healthiest, and the happiest. So it's no wonder startups are gravitating here in record numbers.
